

# Parent Review of Proposed New History Curriculum

Parents are invited to review a new district history curriculum that could be implemented next school year.

All Kennewick middle schools are being asked to provide 5-7 parents to review the proposed textbooks and complete an evaluation form for grades 6, 7, and 8 before the curriculum can be officially approved by the School Board.

We will have books displayed in our school library until Tuesday, March 18th from 7:30AM - 3:00PM. Please feel free to come and review the material. We would appreciate your feedback.
